

Open Enrollment Instructions

Following are instructions and materials for this open enrollment. Please read them very carefully. If you have any questions, please contact the Fund Office at FundOffice@FundOneIATSE.com.

Participants with Current Coverage

If you are currently enrolled for medical coverage and don't need to make any changes to your covered dependents, you do not need to do anything at this time.

You will soon be receiving an invoice for your self-pay premium, which after being paid, will automatically enroll you for continued coverage beginning January 1, 2024 to June 30, 2024. **Please see the instructions below for making your self-pay premium payment online.**

The deadline for making your self-pay premium payment for Welfare Fund provided health insurance from 01/01/24 to 06/30/24 is **12/31/23**. Although you will continue to be able to make your payment after the 12/31/23 deadline through 01/31/24, please note that **a late payment will cause an interruption to your medical and pharmacy coverages until your payment is received and processed**. In other words, if your payment is not received and processed by the Fund Office by 12/31/23, your coverage will be terminated in our system effective 01/01/24 until such time your payment is processed. (Remember that payments received after 01/31/24 will be returned and you will no longer be eligible for coverage for the period 01/01-06/30/24.)

If your payment is received late but on or before 01/31/24, your coverage will be retroactively reinstated effective 01/01/24, but please note that in the meantime, **your prescriptions will be interrupted, and medical providers will be unable to verify that you have current coverage.**

If you've had a hospitalization since this coverage went into place on 7/01/2020, you may be eligible for cash payments based on the length and nature of your hospitalization.

The Hospital Indemnity Plan (HIP) pays benefits when you have a planned or unplanned stay for illness, injury, surgery or having a baby. The plan pays a lump sum benefit for admission and daily benefits for covered hospital stay. You can use the benefit to pay out of pocket medical costs or personal expenses.

Here are some of the benefits* you could receive: up to 15 days.

Hospital Admission: \$1,000.00 (\$750.00 for admissions before 7/01/2023)

Hospital daily stay: \$50.00

ICU daily stay: \$100.00

Substance abuse or Mental disorder daily stay: \$50.00

Rehabilitation daily stay: \$25.00

Nursery admission: \$100.00

You can find everything you need on Aetna's web sites at **Myaetnasupplemental.com** or **Aetna.com**. You can see your plan documents, submit and track the status of claims and even set up direct deposit.

To fill the claim: Log into your account on the Aetna member website or the other site above. Click "report new claims" and answer a few quick questions. Since you have an Aetna medical plan, they will automatically retrieve any medical information needed to process your claim.

You also have the option to print and mail forms to Aetna Volunteer Plans. If your claim is approved, they will mail or direct deposit your check - your choice.

If you have any questions or need assistance with filing a Hospital Indemnity claim, you can call Customer Service at **1-800-607-3366** and they can help walk you through the process of filing the claim.
