December 15, 2007

Dear Pension Fund Participant,

The Board of Trustees of the Pension Fund of Local One IATSE is very pleased to issue the enclosed special distribution payment.

The Board recognizes that inflation has caused prices of everyday goods and services to rise over the past year and is pleased that they were able to pass a resolution to make this additional payment to you in time for the holidays.

Please note that all Pensioners and/or their surviving spouses are receiving this special payment in the form of a negotiable check. Regular monthly direct deposit payment will resume next month for those of you who normally have your monthly Pension payments deposited directly into your bank accounts.

The Board of Trustees wishes you and your families the very best for this holiday season and a most prosperous New Year.

Very truly yours,

Local One Pension Fund Trustees

James J. Claffey, Jr.
