

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-974-2873 or see www.aetna.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 1-800-974-2873 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	<p><u>In-Network providers</u>: \$0</p> <p><u>Out-of-Network providers</u>: \$10,000/individual or \$20,000/family</p>	<p><u>In-Network</u>: See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.</p> <p><u>Out-of-Network</u>: Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
Are there services covered before you meet your deductible?	<p><u>In-Network</u>: Not applicable.</p> <p><u>Out-of-Network</u>: Yes. Prescription drugs, urgent care and ambulance are covered before you meet your <u>deductible</u>.</p>	<p><u>In-Network</u>: This <u>plan</u> does not have a <u>deductible</u>.</p> <p><u>Out-of-Network</u>: This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/</p>
Are there other deductibles for specific services?	<p>Yes. \$50/individual or \$100/family for brand name <u>prescription drugs</u>. There are no other specific <u>deductibles</u>.</p>	<p>You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.</p>
What is the out-of-pocket limit for this plan?	<p><u>In-Network providers</u>: \$2,000/individual or \$4,000/family</p> <p>Prescription drugs (In-Network): \$1,000/individual or \$2,000/family</p> <p><u>Out-of-Network providers</u>: No out-of-pocket limit</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
What is not included in the out-of-pocket limit?	<p><u>Premiums</u>, <u>balance-billing</u> charges, penalties for failure to obtain <u>pre-authorization</u> for service and health care this <u>Plan</u> does not cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>
Will you pay less if you use a network provider?	<p>Yes. See www.aetna.com or call 1-800-370-4526 for a list of <u>In-Network providers</u>.</p>	<p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the <u>plan's network</u>. You will pay the most if you use an <u>Out-of-Network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>Out-of-Network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>
Do you need a referral to see a specialist?	<p>No.</p>	<p>You can see the <u>specialist</u> you choose without a <u>referral</u>.</p>

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
